About Us

We are the largest
Brazilian Student
Association in Canada!

"We have the dream of empowering the next generation of leaders for a better Brazil – a dream that is shared by each member of BRASA, which is the main reason why this team of passionate people joins to work daily; this is what guides everything we do. At the center of our values are proactivity, excellence, and commitment to Brazil." - Article 1.2 from our Constitution

We are a vibrant student organization that connects Brazilian students at the University of Toronto through events, workshops, and community initiatives.

Our mission is to empower students to pursue ambitious goals, redefine possibilities, and build a strong sense of belonging on campus.

Through leadership development, cultural exchange, and collaboration, we aim to make a lasting impact at UofT and beyond.

Our members receive a BRASA Card, which serves as official proof of their affiliation with the recognized BRASA UofT club. This allows them to access exclusive partner benefits.

How It Usually Works

For Events

We receive 20% of the total ticket sales value OR we receive a promotional rate, when the ticket price is over \$20, to sell to our BRASA UofT members.

For Restaurants

We receive a 10% discount on the total bill or a weekly BOGO (Buy One Get One) offer on a selected item.
